

## MANUFACTURING AND REPAIR OF METAL PARTS IN THE OPEN SEA FOR THE FRENCH NAVY

Courtesy of:

**MELTIO**

**SICNOVA**<sup>®</sup>  
MASTER RESELLER

- **Design and manufacturer:** Sicnova
- **AM Technology:** LW-DED
- **Manufactured on:** Meltio M450
- **Material:** Metal

### Outstanding advantage:

- Improves operational efficiency
- Reduces downtime.
- Enables manufacturing critical parts directly on board in a matter of days.
- Decreases reliance on external spare parts.
